The 2024 CVMC Foundation Healthcare Scholarship, proudly presented by the CVMC Foundation in collaboration with the Sylacauga Hospital School of Nursing Alumni, aims to support applicants pursuing a clinical healthcare career. The following outlines the qualifications for prospective applicants interested in applying for this scholarship.

What amount is provided with the scholarship?

The CVMC Foundation 2024 Healthcare Scholarship is granted to one (1) recipient as a one-time award of \$1,000.

What are the requirements?

Applicants must show enrollment in healthcare-focused courses and provide evidence of a cumulative GPA of 3.0 or higher as indicated on their transcript to be considered. Additionally, one professional reference is required.

Upon selection, the recipient must schedule a time to have their photo taken at Coosa Valley Medical Center where their scholarship check will be presented. The recipient must write two thank you notes within fifteen (15) days. One to the CVMC Foundation Board, and the second to the Sylacauga School of Nursing Alumni. Depending on the applicant's schedule, an appearance at an upcoming CVMC Foundation board meeting would be recommended.

How do I apply?

All applicants must complete and submit their application along with proof of GPA and enrolled classes through this [link](#), or by scanning the QR code below. Applications are processed on Google Forms. The application includes three sections consisting of demographics, file uploads, and an essay question. Applications do not need to be completed at one time. Upon submission, the applicant should receive a copy of their completed form for confirmation.

Is there a deadline to apply?

All applicants must submit their completed applications by 11:59 P.M CST on May 1, 2024. Scholarship recipient will be notified within fifteen (15) days.
